## **Captains Report**

**Good day to all fellow Nomad members and to our Purple Team. Our May monthly game was played without any weather interference and it was a lovely winters day.**

**There were 38 Nomads, 2 prospective and 2 juniors in the field, making a total of 42 players. The average scores for the day was A div 26.9, B div 25.9 and C div 28.4. This meaning that only 4 Nomads will be cut, 15 no change and 19 will gain. It seems that most of the guys left there A-game at home ! Congrats to ML Vosloo on being the Champ of the day with 34 points!! The matchbox was between Tubby Jordaan and Ruan du Plessis on 17 point each and on a count out, Ruan was the lucky winner of the Matchbox.**

**It was decided at the last Nomads National Executive meeting that the playing year will revert back to how it was previously from January to December month instead of the current format of May to April month. This means that this will be a short playing year of only 8 months!!**

**Gary Player Knockout: Please guys we need your entries. Our June monthly game will be the cut of date. This meaning that we will only have 5 months to complete the Knock Out rounds for both the Gary Player & the Plate Competition!**
