12 August 2019 – Moketsi Machogo
29 August 2019 – Mellaney Hanton

CAPTAIN'S REPORT:

Our August monthly game was played at Schoeman Park GC and the greens were fast and true. The course was in excellent condition even though it can be described as a “winter” course it was well maintained and of a high standard.

On behalf of Free State Nomads, we thank the management of Schoeman Park for allowing us the use of your golf course and facilities during our monthly game. Everything functioned well with all the staff going out of their way to ensure we had an enjoyable day.

I enjoyed playing with past captain, Peter Rodgers and Deon (Tubby) Jordaan who is back at long last from medical leave. We managed to escape the dreaded pink hat and even almost put the ghost to shame.

It was a great moment when I inducted Andrew Murray, who was a Nomad for over 5 years previously. Welcome back Andrew and I really believe you will enjoy every moment of being a Nomad again. Thanks to our local sponsors and especially Midas with whom the great prize table would not have been possible.

The highlight of the day must be Benny Lindeque's hole in one on the 6th! Well done Bennie, the perfect shot evades many a golfer a lifetime.

Our boys are leaving for Golorama in Sishen on the 21st of this month. We are looking forward to a great week of hard work and good fellowship. Our duty at the "Origins of Golf" tournament of the Sunshine Tour is exactly what Nomads is all about. We show our commitment to furthering the game of golf and at the same time, it is bound to be an epic weekend.

Our next game is on the 1st of September at Tempe sponsored by the past Captains and I hope to see everyone there to enjoy their special hospitality.

Until then, please take it easy and stay safe!

Jnr Vice Captains Report:

As the JVC of Free State Nomads for the 2019/2020 period, the least I can say is that it's an incredible honour for me to adopt this portfolio and will serve it with pride.

Please bear in mind that Nomads only supports events that are either run by, or are supported by one of the five partners being Golf RSA, SAGA, WGSA, Disable Golf and the SA Golf Development Board. This is the only way that we can be assured that the funding is being used for the purpose for which it was requested. This is also then a regulatory requirement of section 21 of the FOGNF Company. The Nomads brand is still highly regarded and appreciated in South Africa, with Junior Golf the biggest benefactor.

FS Nomads has already sponsored a disabled golfer this year together with the junior golf tournament at Schoeman Park.

Fund raising remains a trying experience and hopefully our golf day on the 29th of August 2019 at Schoeman Park will boost our funds substantially. The more we make the more we can spend.

Any fund raising ideas from my fellow Nomads will be very welcome.

Nomadic regards

Louis Lange
