19 July 2019 = Wessel Mostert

CAPTAIN'S REPORT:

Our monthly game was played at a well-prepared Bloemfontein Golf Club on Sunday 21st of July 2019. MC Pienaar, the greenkeeper and fellow Nomad challenged our members with a few “Pro” tees, but this did not affect the great scores on the day. Thank you to Trevor Kitching and all the staff for going out of their way to make sure we were welcomed and really well treated. The snacks at prize giving was great too.

Also, a huge thank you to Johan (Terror) Terblanche and Equity, our Local Sponsor, for the excellent prize table they presented. They are in the property and valuations game, so please return the favour and support them wherever you can... Well done to all the prize winners.

Prize giving was as usual full of our own brand of Free State social spirit and banter, although certain members maybe should just calm down a little bit during the speeches... nonetheless a great time was had!

It was my privilege to present Joe de Beer with his 100 Game badge. Well done and welcome to the club! Louis Lange, Wessel Mostert and Jono van Rensburg also received their 5-year ties. Congratulations on the milestone guys, I trust you will still have very long and successful Nomadic careers.

The Joker draw was not won and the kitty is slowly but surely building up, so get those tickets next time. Your chances of winning are improving and it surely will not be long now before it is won! This is also a great sponsorship towards our annual Andrew Mentis fundraising efforts.

I look forward to playing at Schoemanpark Golf Club, my home club, on Sunday, 18th August. Winter should almost be done then, so see you there everyone....

Until then, please take it easy and stay safe!

Pierre Goosen

Captain – Free State Nomads

Editor's note:

It is a great privilege for me to be on the Free State Nomads committee and doing the website and the newsletter has been a huge learning experience for me, but also lots of fun!

Social media like facebook and whatsapp has made our job alot easier over the past years and lots of info is available to the members by just using something simple like a smartphone. In 2021 our National Tournament will be held in Bloemfontein and again social media will play a very important role; especially with advertising. It will however need some effort from all Nomads Members to keep sending me those pictures of your social games, Gary Player knock- outs and your photos and stories of your away tours.

I am really looking forward to the rest of my term and the next few months are going to be really busy with away tours and golforama. I would also like to use this opportunity to thank my fellow Nomads for their support so far.

Keep sending those pictures!

Regards

Emiel Jonker
