Neels Bezuidenhout : 26 June 2019

## **CAPTAINS REPORT:**

For our first Winter game, we were hosted by Schoeman Park Golf Club on 09 June 2019. Our 11h00 tee-off time is definitely making golf much more pleasant during the Winter months. It was also our pleasure to have our very own National Chairman, Mr Neels Bezuidenhout as our special guest on his official visit to the Free State.

Gerhard Meyer was privileged to be inducted by him. Welcome Gerhard, may you have many memorable moments on your Nomads journey. Congratulations to all the winners and to those who did not play so well, try again and remember, participation and having fun is the key.

Nomadic Regards

Pierre Goosen

## **FROM VICE CAPTAIN JOHAN TERBLANCHE:**

2021 will be a big year for the Free state as the convener of the National Tournament. The committee under the Kenny Williams have already started and with their preparations, although only at its infancy. During the coming year I will be focused on the points raised in the Nomads Free state Report that was released in January 2019. In this report highlighted the following;

1. Retain older member and stalwarts
2. Recruit selectively in the 45 and younger age groups
3. Target presence building and membership expansion
4. Address the on-course discipline, including slow play
5. Improve prize-giving discipline and speed, especially with the later tee-off times
6. Provide more value to our sponsors
7. Actively building the image of the Nomad Brand in our province

All the above ties in with the challenge of convening the National Tournament as all the members must throw their weight in to make it a success, does not matter how small the contribution. If we can all start pulling in the same direction, it will only be that much easier. There are still some clubs that are of the opinion that we will not be able to pull this off successfully, but with our hospitality and energy we will be able to give all the participants something to take back to their respective clubs.

Last, but not least, still enjoy the camaraderie and golf, as this is after all why I am a Nomad.

Regards
