## **BIRTHDAYS FOR SEPTEMBER 2020:**

13 September : Vernon York  
20 September : Rudi Botha

## **OUR CAPTAIN JOHAN TERBLANCHE :**

Tempe Golf club is one of our yearly calendar that are always played around September, and I don't know why, but it always shows its teeth on that day. Last year it was bitterly cold and this year it was very windy. The WP Nomads would have felt at home in these conditions, but we are not used to it with balls flying all over the place.

The club has been affected by the current economic conditions and they are battling to keep everything going, but I believe that we gave it a small injection as we were able to attract 42 players of which 4 were visitors. Of these four visitors two have indicated that they want to

join Nomads and they have already been issued with application forms. Although this club cannot be compared to Bloemfontein or Schoemanpark, do they attract a lot of Sunday players, and this is where a lot of these players are introduced to the game by their parents or friends. These are future golfers that we need to keep the game alive and we must support them in these trying times.

This was the first game since March that we had our Glenbrynth and milk table ready before the game and it was well supported by all. Lovely to hear the before the game banter again. As this is a nine-hole course did we decide on a shotgun start in order to allow the club an afternoon field. I was drawn with our former captain Pierre Goosen, Bernu van den Heever and Charles van den Blink and enjoyed it tremendously, except for the part where money was transferred to the opponents after the game. Thank you gentleman and it is always a treat so see Charlie, a notorious slicer, hitting a ball exactly where he aimed it and being furious about the result.

Although we had no prizegiving, did we open the bar and lovely snacks were prepared for us. We will only be contemplating holding our first prizegiving at the next venue where we have more space available to us and depending on the numbers that we attack. We will definitely be able to work something out during the next month as we have some member milestones to acknowledge. Maybe they will even let Mok out of Lesotho by that time.

Well done to the winners of the day. Deon, you will be cut on 39 points and could just as well have gone for the 40 pointer. I wonder how many times you have already thought about where that one point was lost!

Thank you to Caren for developing the new electronic entry form, with input from Ian Gooding from Eastern Cape. It works really well and with time will become the new normal. Until our next game at Schoemanpark, be safe.

Captain – Free State Nomads
