Our Captain Johan Terblanche:

We have had an abundance of rain the last two months and our scheduled game in December was cancelled because of a drenched Schoemanpark. As it came closer to Sunday, we were all weather watching and on Saturday the games in the area was suspended because of lightning. Schoeman Park allowed us to use carts on the day, but because of the wet conditions, did not allow any carts on the fairways and this helped our “handicapped” players a lot.

My three-ball consisted of Neels and Barney Mostert, son of the late Wally Mostert, who was in attendance for the badge ceremony at our prizegiving. It was an enjoyable game and fun to watch how Neels and Barney had to negotiate their cart if they were on different sides of the fairway, and they may not cross by cart.

Our ladies prepared the hall for us as planned for the December game with a dinner after prizegiving. This exceeded our expectations and with some of the spouses in attendance, was very special. Most of the food was sponsored and I want to thank André Rheeder from Bidfood and Chappies Maree of Roots Butchery for their support. Without you the dinner would not have been as successful. The kitchen staff at Schoemanpark went out of their way to prepare a lovely dinner and a lot of compliments came from those present. All the spouses and partners present also received a small gift as a token of our appreciation for their support during the year.

Well done to all the winners on the day and see you at our next game.

Be safe

Johan Terblanche
