### **Our Captain Johan Terblanche:**

Bloemfontein GC was our host for the day, and we were fortunate enough to find the course in a good condition, even with the amount of rain that was received the previous week. We are fortunate that MC Pienaar is involved with the club and he could keep me abreast of the course conditions and allowing golf carts. The rough is currently brutal and lots of balls were lost during the day. I even lost a ball in a waterlogged bunker. Thanks to the staff of Bloemfontein GC for their preparations under difficult circumstances.

I have noted that we again had a lot of guests in our game and if you want to propose them as prospective members you need to contact Hennie Labuschagne to forward the application form to you. We want these guests to be converted to members over time.

Thanks to my fourball for the day, with Garth Leech as my partner and Andrew Murray and his son Carel. Thank you for an enjoyable day and Garth I hope you wear your pink hat with pride. It was the first time in my life that I have seen as player hitting a golf ball over his shoulder with the ball ending up in the river. This is without the ball hitting an obstacle at all -thank you Andrew for playing this never to be repeated shot with an audience.

I want to ask all Nomads to please make use of the electronic entry form as this also requires players that do not want to play to indicate their decision. This makes the task of Caren Bester just that easier.

All of us have received the yearly playing schedule and it is also available on our website. Please note that our next game will be played in Clarens on Saturday the 6th of March and for those that want to participate, now is the time to start your bookings your accommodation of you want to stay the night.

Looking forward seeing you in Clarens and hopefully by that time we will be able to have a full prizegiving.

Be safe.

## **Meet the committee:**

Today I want to introduce our Match Secretary, Caren Bester. Caren joined us on a permanent basis from February 2020 when she took over the duties at our monthly game at Clarens. She was really thrown in at the deep end as that game required more administration than normal games as we invited the members of Clarens Club to join us and some only booked their places as Mr x and partner.

Since then Caren started figuring out the system, with input from the Samson team and you would have noted that things are running smoothly at the entry table every month, with results being finalised very shortly after the last fourball handed in their cards. She also took ownership of our new electronic entry system and after some hick-ups in the beginning, most of you are currently making use of it.

Caren was born in Pretoria but raised in Bloemfontein. She started her career as a cashier at Truworths and worked her way up to an area manager in the Truworths Group. Before becoming an area manager, she was managing stores in Kimberley and Menlyn. After 21 years with the group she was involved in a serious motor vehicle accident and had to leave the group because of the injuries she sustained.

Caren is married to Riaan Bester and has three children, Alrico (16), Chante (13) and Byron (10) with the two boys being schooled at Grey College and Chante at Oranje Meisies.

Riaan introduced her to Nomads, and she helped the Purple Team on an ad-hoc basis. With the retirement of Tannie Margie she volunteered her services and is now a fulltime member of the team. You would have noticed that she was also in charge of the halfway braai at our last game and her comment was “I do the braai at home and it will keep me busy while you are playing”.

For those of you who think you can outwit her – she has seen and heard it all before!
