Our Captain Johan Terblanche:

Schoeman Park was our host for our monthly game, and I am glad that they have been able to rectify the sewerage problem that they experienced some time ago. The course is in good nick with the greens a pleasure to put on. Thank you to my playing partners Riaan Neethling, Joe de Beer and Gert Venter. Your company was most enjoyable, and on top of that was it also Joe's birthday.

This was also our first round of the Gary Player challenge and one could feel the excitement building up before the start of the day. This is the first year that we have decided that all the Gary Player games will be played during our monthly games and with the sponsorship of Louis Lange it was supported by many of our players.

Some good scores were made and one of our prospectives Anton Coetzee on 39 was the winner of the day. The hot player the past two games are Vaughn Healey who again came in with a 39 pointer after having scored 38 in the previous game. His playing partner was Anton, and between the two of them amassed a brilliant 78 points. Fortunately for us, unfortunately for Vaughn, his handicap will again be trimmed in recognition of good play.

Oom Wally Mostert is playing again and scored 37 points to be the over 55 winner of the day -well done.

Tony Halgreen did the Creed and tribute was also paid to Neale Kunhardt, founding member of Border, past National Chairman and an Honorary Member of Nomads who recently passed away.

At our next round at Bloemfontein the first round of the Gary Player Challenge will be finalised. Thus far it appears that those going through to the plate will have to bring their best golf as the competition will be stiff.

Be safe and see you at the next game.

Johan Terblanche

Riaan Neethling – Motus Challenge

Riaan and Gary Lindeque represented us at Champaign Sport two weeks ago. Riaan was our winner of this yearly challenge. This was Riaan's first game outside Freestate, and he did not know what was waiting for him. He and Gary already left the Friday morning, and that same afternoon played a practice round.

For those of us that have not experienced this outing ourselves I asked Riaan to give me some feedback on the few days at Champaign. According to him they were treated like kings with everything on the house from day one. The course was also in an excellent condition and he mentioned that for those that will be playing the nationals later this year at Champaign, a treat is awaiting them.

We are proud on your win Riaan, you put the Freestate on the map with our first overall win.

This year Vaughn Healey is the frontrunner in this competition with an average of 32.6, followed by Christiaan Nel and Gordon van Wyk on 30.2 points. To follow this competition, and all the others, just go to our website and you will find all the details there.

BIG THANK YOU TO OUR MAIN SPONSOR OF THE DAY:

Free State Nomads Committee 'BOSBERAAD'

After thorough planning, the Committee decided to go to MAGERSFONTEIN MEMORIAL GOLF ESTATE for a proper teambuilding and Bosberaad from 26 to 27 April 2021. The committee was well represented with 10 members attending the weekend.

We arrived at 16h00 on Monday 26 April 2021 and after everyone sorted out their accommodation for the night we met on the 'stoep' for serious discussions. Issues of great gravity were discussed and thanks to our main sponsors: SAB Brewery, Glayva Liqueur and Jeigermeister the meeting was very successful and 'productive'. After supper there was still a few points under 'General' that had to be sorted out that went well into the night...

After an early breakfast and the traditional Glenbrinth and milk, 2 x 4-balls tee off at 08h00. The course was in great shape and allot of imagination and thinking was needed to master the 18 holes. However the saying goes: 'What goes on tour stays on tour' therefore only the following result was available; Best player of the day : Riaan Bester.
