Our Vice Captain Louis Lange :

As our tee-off time was scheduled for 7.00am we found ourselves still locked out at 6.45am. That and together with some late withdrawals certainly created a fair amount of chaos. But due to our efficient ladies we were soon back on track and enjoying the game of golf

It is also our first game since the Sunbird Nationals which in its own right created the necessary banter and talks that goes with a Nationals. A big congratulations to our team who ended third in the competition. It could easily have been first place!!!! However the Zulu Nationals is around the corner and looking very forward to it.

Anyhow the day progressed fairly well without any further hiccups and it saw some good golf. Congratulations to all the Gary Player winners and our Individual players. Shaun Visagie collected his second consecutive pink hat (matchbox) with a score of 23

Next month sees our final game of the year(5th December 2021) which promises to be a big day considering what our ladies are busy planning. I do appeal to every Nomad to make an effort to play in our last game and to contribute to a fun day.

Until then have fun and stay covid free

SUNBIRD NATIONALS: 09-15 October 2021

The Sunbird Nationals 2021 was held at Champaign Sport Resort. This is truly a fantastic venue and the long wait since March 2021 was worth it! Ken Walker and his Natex team pulled out all the stops to make this a great event!

Registration started on Saturday and the traditional flag raising was held on Saturday evening. Free State Nomads send a strong team of 19 players to the tournament. 4 Games were played by each player between 10 and 14 October 2021. The course was very challenging, but in a beautiful condition. However the Cowboy Bar (Snakepit) was by far the most challenging after every game, but the friendships that were made in the ‘Snakepit’ will last for years to come!

Our Captain, Johan Terblanche, instructions were simple: make 120 points per player for the tournament and the Free State will bring the prestigious Burt Hunt Trophy home. What sounded like a simple task; became a very challenging goal as the days past! However the Free State team played really well and at the end of the tournament came 3rd overall.

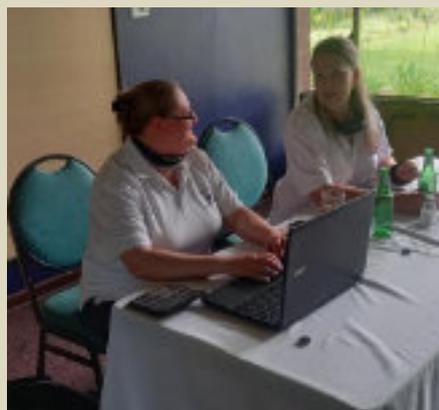

Thank you to all my teammates who made my first Nomads Nationals something to remember for the rest of my life! The only advice that I can give to my fellow Nomads is: If you miss all the tours; this is definitely one not to be missed!
