GOLFORAMA EVENT: SISHEN GOLF CLUB

Golforama is one of those events that all Nomads must participate in at least once as it is the only event that affords us the opportunity to help with the scoring at a sanctioned Sunshine Tour event. It costs you nothing and only your time is required.

Last year no events were hosted in our area because of the Covid 19 pandemic, but this year Vodacom Origins of Golf pulled all stops with a lot of events taking place, including one at Sishen Golf Club from the 26th to the 28th August 2021 in Kathu. This year they required more Nomads as this event was broadcast live on the last day. Our tally for the first day was 29 Nomads. Normally this is around 15. The organising was in the hands of Joe de Beer, and he did an excellent job. He did hit some speed wobbles as we could not source transport from our sponsors as they did not have busses available in Bloemfontein. He quickly made a plan, and the problem was sorted. As usual a lodge on the outskirts of Kathu was our base with a braai every night. Christiaan Nel was our braai master (it keeps him busy and out of trouble) and we still don't know if he is any good as the meat supplied by Roy de Freitas was of an excellent quality and even a novice braaier could have been a standout. Thanks Roy.

Thursday morning we all had to go for a Covid test before starting. That means standing being there at six in the morning after a lekker get together the previous night, but fortunately all of us tested negative. (Emiel -if you have a pink indicator it indicates that you are Covid negative and not that you are expecting a girl!) The first two days was nice, but windy. On Saturday morning it was a totally different day with overnight frost and wind from the south that you could not escape from. It was noted that some of the pro's took warm water with them and this they poured over their hands just to get some feeling back.

All in all we had a great weekend with everybody enjoying the outing, but on the course we were professional and doing the work required. Sishen Golf Club treated some of the guys with a free round of golf after the tournament on Saturday. We played from the Pro tees, and I could understand why the winning score was only -3. Well done to Alex Haindl, a Bloemfonteiner, for bringing the trophy back to Bloem.

Looking forward to the next event in 2022
