Our Captain Louis Lange :

Yesterday, being our monthly June game was a huge success. Not only did the weather play with but also saw us finishing a Special AGM and two prizegivings and that by 17h00. Thank you too all that attended and your co-operation to achieve that.

The golf was good if you have a look at the scores. Congratulations to Joe De Beer on achieving his second 40 pointer. Well done Joe. A second highlight of the day was an entry from an 11yr old junior and his father. It so happened that I partnered the youngster who played very well and culminating in the best playing pair for the day.

Our trip to Sishen was enjoyed by all and maybe a plead to members to put this in your diaries for the future so as to avoid the shortcomings we experienced this year. It is always great fun guys and a big thank you to Joe for all the planning.

July month will see me travelling to Zambia for their inaugural national tournament. All twelve captains will be attending together with the National Exec and should be a lot of fun. I am really looking forward to it.

As mentioned at the prizegiving yesterday it is EP'S 50TH anniversary in October. Although it is still some time let us make concerted effort to turn up in big numbers. The entry forms are with Joe so "kom ons gaan see toe vir n lekker kuier"

Our FOG golf day is on Thursday and hope to see you all there, until then have fun!

Louis Lange
Captain

Free State Nomads Committee trip:

The committee for 2022/2023 took a well deserve brake from all the stress of the past 2 years and travelled to Aliwal North for golf and some teambuilding. This was a good way for the old committee members to reflect on the past 2 years and a good way to “induct” the new committee members.

On Saturday morning 21 May 2022 we departed for Aliwal North Golf Club to join the local club members on their monthly medal competition. Everything was organized well in advance and unfortunately the weather could NOT be organized. With snow on the mountains of Barkley East and a south easterly wind of 30 km/h; we were in for a challenging day on the course.

However, we were all well stocked with enough Old Brown Sherry and allot of enthusiasm. To quote one of the players comments during the day: “ Today you will only find husbands angry with their wives and NOMADS on the golf course”

After a tough day we were treated to great hospitality and a steak dinner by the members of Aliwal North Golf Club. Fellowship and the traditional ‘ Fines Meeting’ went well into the night. After breakfast the next morning we left for Bloemfontein.

Thank you to everyone for making it an unforgettable trip. We are already looking forward to the next one!

Golforama: Sishen Classic

The Sishen Classic, a Sunshine Tour event, took place from 26 May – 29 May at Kathu Country Club in the Northern Cape. Free State Nomads sent 17 marshals to assist during the weekend.

Everyone had a great time on and off the course and thanks to Joe De Beer and his team a lot of compliments were received from the Sunshine Tour Crew and from the Professional players. This year the weather also played a big role in making it a very enjoyable tournament.

Congratulations to Deon Germishuys on winning the Sishen Classic 6 shots ahead of his nearest competitor on -16 for the tournament! Deon's father, Bernard Germishuys is also a fellow Nomad from the Boland Nomad Club.
