the traditional whiskey and milk. Thanks to Marius Swart from Stemar Financial Services for sponsoring the day.

The course was in a very good condition and some of the players made the most of the day by shooting some high scores. Riaan Bester was the Champ of The Day with 39 points, Johan Terblanche was the Over 55 winner. Pink Hat went to our very own Braai Master Christiaan Nel. Making the day even more special was the fact that I had the Privilege of Inducting 6 New Members to The Nomads. Coenie Beukes, Gerdie Karstens, Heinrich Landman, Daniel Venter, Armand Nel and Stef Young. Congratulations and welcome to the Nomads.

Thanks to the Caren and Mellany for getting the prize sheets ready in record time. Thank you to all our Local Sponsors for your continued support

Hope to see you all at the next game which will be on 5 November 2023 at Schoemanpark

Veldskoen Golf Tour 2023:

The Veldskoen Golf tour was held from 06 October 2023 – 08 October 2023 at Oudtshoorn and was attended by 15 Free State Nomads.

The Veldskoen Challenge is an annual competition between our club and our sponsor club, Boland. Boland proposed this challenge shortly after our club was established, and it was agreed that the event would take place in Beaufort West, a location roughly equidistant from both our clubs. Initially, it was determined that the Free State club would provide the meat, while Boland would supply the wine. This is the sole detail recalled by one of our founding members, Tony Halgreen.

The clubs take turns to host this challenge, and the host club assumes responsibility for organizing the event, including arranging the altar and providing the prizes.

The competition was fierceful, but the fellowship and the social were brutal! Free State Nomads succeeded in defending the trophy successfully. This was again the highlight on the Free State Nomads Golf calendar and conversations have already started for next year. Hope to see some new members representing Free State Nomads next year!

Some insight into the NOMADS CREED:

No man is an island entire of itself; Every man is a piece of the continent, a part of the main; Any man's death diminishes me, because I am involved in mankind; And therefore, never send to know for whom the bell tolls; It tolls for thee.

We have all heard the words of our creed, but what does it mean? After being honoured at our last game to read the creed, I just wondered what these words mean and this is my take.

In this passage, Donne reflects on the interconnectedness of humanity. The main idea conveyed here is that no individual exists in isolation; rather, each person is a part of a larger whole, part of humanity.

Donne suggests that when one person dies, it affects all of us because we are all interconnected. The tolling of a funeral bell, traditionally used to announce a death, is a sombre reminder that when we hear of someone's passing, it is, in a sense, a reflection of our shared humanity and that the loss diminishes us all. In other words, the suffering and death of one person should be a concern for all because we are all part of the same "continent" or shared human experience.

The phrase "for whom the bell tolls" is often used to convey a sense of shared loss or collective mourning. It reminds us to be empathetic and compassionate toward others and to recognise our interconnectedness with the rest of humanity.
